

The world's largest artificial climbing wall manufacturer are looking to fill the following position:

Team Leader/Senior Technician

Entre-Prises, an ever expanding and dynamic company, design and manufacture climbing walls, caves, ice walls and other adventure facilities. You would be working with a young dynamic team, dedicated to supplying the best climbing walls in the world. Each climbing wall is unique, every project represents a new challenge. Projects take place all over the UK and increasingly around Europe and the rest of the world.

Principal Duties

- Supervise small team in workshop and on site, to ensure product is manufactured to high quality and on time.
- Co-ordinate installation of walls, occasionally working abroad and with main contractors.

Other duties may include:

- Site visits with Project Manager to discuss project with client and/ or confirm dimensions.
- Packaging and loading product for dispatch.
- Quality control both in workshop and on site.
- Implement Health and Safety practices – tool box talks etc.

Skills and general experience

- Minimum of 5GCSE's or equivalent.
- Good communication and motivation skills.
- Good time keeping and time management skills.
- Full driving licence.
- MEWPP/ PASMA/ Counterbalance Licence an advantage, although training will be given.
- Prior experience of working in construction industry an advantage.
- Experience of managing a site team an advantage.
- Working at heights/climbing experience beneficial.
- Substantial experience in woodworking/joinery or resin moulding.

The position is full time and is based at the head office in Kelbrook, Lancs.

Start Date: ASAP
Leave: 4 weeks per year plus bank holidays
Hours: Normal working hours - workshop 8.00am – 5.00pm Mon – Thurs, 8.00am – 1.45pm Friday
On site times will vary as the job requires and may include weekend work
Salary: c£9.80-£11.02 per hour basic (£12.45 - £14.00 for site work) negotiable depending on skills and experience + OT + Bonus

To apply forward covering letter and full CV by post or e-mail.

Closing date 30th July 2010
