

The worlds largest artificial climbing wall manufacturer are looking to fill the following position:

Technician/Artist

Entre-Prises, an ever expanding and dynamic company, design and manufacture climbing walls, caves, ice walls and other adventure facilities. You would be working with a young dynamic team, dedicated to supplying the best climbing walls in the world. Each climbing wall is unique, every project represents a new challenge. Projects take place all over the UK and increasingly around Europe and the rest of the world.

Principal Duties

- Responsible for the painting of climbing walls to a high standard finish in the workshop and on site.
- Spraying wall panels in the workshop.
- Spraying completed walls on site.
- Work within a small team in the workshop to ensure product is manufactured to high quality and on time.
- Assist with the installation of walls on site, occasionally working abroad and with main contractors.
- Sculpting rock features in the production of resin based products.

Other duties may include:

- Assist with the packaging and loading of product for dispatch.

Skills and general experience

- Good artistic skills – theming and sign writing.
- Good communication and motivation skills.
- Good time keeping and time management skills.
- Driving licence beneficial.
- MEWP/ PASMA/ Certification an advantage, although training will be given.
- Prior experience of working in construction industry an advantage.
- Wood/fibreglass working skills would be a considerable advantage.
- Working at heights/climbing experience beneficial.

The position is full time and is based at the head office in Kelbrook, Lancs.

Leave: 4 weeks per year plus bank holidays

Hours: Normal working hours - workshop 8.00am – 5.00pm Mon – Thurs, 8.00am – 1.45pm Friday
On site times will vary as the job requires and may include weekend work

Salary: c£7.15-£8.65 per hour basic negotiable depending on skills and experience + OT + Bonus

Sickness: 5 days paid

To apply forward covering letter and full CV by post or e-mail.

Closing date 20th March 2009
